**ORDER:**

The Commissioner & Director of Agriculture, A.P., Hyderabad, vide reference read above, has informed that in view of the failure of rains in the catchment area of Godavari river, the quantum of water to be released to the ayacut area has been drastically reduced in the East and West Godavari Districts and as a result, the paddy sowing is replaced in a large area by Black gram, Green gram, Maize, Groundnut and Seasmum. As such there is an urgent need to supply Black gram seed to East and West Godavari districts as the sowing of Black gram has to be done before the harvest of paddy.

2. Further, the Commissioner & Director of Agriculture, A.P., Hyderabad, has informed that as there is urgency and as per the discussions with the Spl. Chief Secretary to Government, Agriculture on 07.11.2009, the Collectors of Krishna and Guntur Districts have been requested to procure the Black gram seed directly from the farmers, get it processed and then transported to East and West Godavari Districts by the APSSDC as detailed below:

S.No.	Place of availability	Quantity procured in quintals	District to which seed supplied
1.	Guntur	5000	East Godavari
2.	Krishna	5000	West Godavari

3. Therefore, the Commissioner & Director of Agriculture, A.P., Hyderabad, has requested the Government to ratify the action taken for procurement of the Black gram seed directly from the farmers of Guntur and Krishna Districts through the District Collectors and for distribution in the East & West Godavari Districts during the Rabi 2009-10 only.

4. In view of the report of the Commissioner & Director of Agriculture, A.P., Hyderabad, above and after careful examination, the Government hereby ratify the action taken by the Commissioner & Director of Agriculture, A.P., Hyderabad, in issuing orders for procurement of Black gram seed from the farmers of Krishna and Guntur Districts for supply on subsidy in East and West Godavari Districts during the Rabi 2009-10 season.
